Choosing a dentist

You may select the dentist of your choice. However, to get the most value from your dental benefits, make sure your dentist participates in the network listed at the top of your Delta Dental ID card. With Delta Dental PPO Plus Premier™, you have the option of visiting any dentist. However, your out-of-pocket costs may be lowest if you see a Delta Dental PPO™ network dentist and highest if you choose an out-of-network dentist. Delta Dental network dentists agree to discount their fees, submit claims on your behalf and not bill you for the difference. Visit DeltaDentalVA.com to find a participating dentist in your area.

If you visit an out-of-network dentist, Delta Dental will pay its portion of the bill and you are responsible for any coinsurance and deductible (if applicable), as well as the difference between the nonparticipating dentist’s charge and Delta Dental’s payment. Payment will be made to you, unless state law requires otherwise.
