

GROUP WHOLE LIFE INSURANCE and Living Care Benefits

Give yourself protection for a lifetime

Many people buy life insurance to provide financial protection for those left behind. What if your life insurance could also provide benefits if you suffer from a permanent health condition and you require ongoing care from a family member or professional caregiver?

Value of Whole Life insurance

- Permanent Life insurance
- Living Care benefits for chronic illnesses
- Guaranteed premiums and death benefits
- Accumulates cash value¹
- Payroll-deducted premiums
- Coverage can be taken with you if you change jobs or retire, billed directly to you at home

Atlantic American's Whole Life & Living Care plan combines the guarantees of permanent life insurance with the benefits of living care protection. Our living care benefits can assist you when you need to take care of ongoing expenses that arise from a chronic medical condition.

How can Living Care benefits help?

¹Access to cash values through borrowing or partial surrenders will reduce the policy's cash value and death benefit, increase the chance the policy will lapse, and may result in a tax liability if the policy terminates before the death of the insured.

This hybrid life product is ideal if you want to:

- Leave a death benefit to loved ones after you die
- Provide benefits for the costly expenses associated with care, particularly over long periods of time
- Lifelong coverage through retirement with no increase in premiums

GROUP WHOLE LIFE INSURANCE

The ABC's of Living Care¹ benefits

Long-term chronic illnesses can have a significant impact on an individual's quality of life, both physically and financially. These types of illnesses often require ongoing medical treatment and care, which can be costly and financially devastating for individuals and their families. Atlantic American's Whole Life plan allows you to access a portion of your life insurance benefits while living. We call this Living Care.

You may not have a long-term illness now, but let's consider how you may use a hybrid life plan.

Living Care¹ ABC's

Example Election:

Whole Life
\$70,000

Living Care
4% up to 50 months

Death
Restoration

A

What if you need care for a long-term illness?

You are able to use our Living Care benefit with a maximum **monthly benefit \$2,800**, for up to **50 months**.

When you pass away, your beneficiary still receives a **Death Benefit of 25%**, or **\$17,500**.

Use it all and get restored

B

What if you need care for a brief period of time?

You could have a serious illness that leaves you needing care for a brief period. **You use only \$28,000** for your care, before passing away.

The remainder of your policy, **\$42,000**, is paid to your beneficiary as a **death benefit**.

Use some and leave some

C

You could pass away, without ever needing care

The entire **\$70,000** face amount of your policy will be paid as a **death benefit** to your beneficiaries.

Keep it all as a legacy

¹The Living Care Benefit is an acceleration of the death benefit and is not Long-Term Care Insurance. It begins to pay after 90 days of confinement or services, and to qualify you must meet conditions of eligibility for benefits. Pre-existing condition limitation may apply. Living Benefits may not be available in all states or may be named differently. Please consult your policy for complete details. This hypothetical example does not guarantee or predict actual performance. This is an example for illustrative purposes only. Actual policy amounts and payments will depend on benefits purchased, death and living benefits.
